LAMANAI BOTANICAL SPECIMENS

T.F. Daniels

1995
Lamanai Botanical Specimens
T.F. Daniels
California Academy of Sciences
1995

Work sponsored by Oceanic Society Expeditions
in conjunction with
Black Howler Monkey Research Project
Biology Department, San Francisco State University
Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Tree to 4.5 m; fruits orange turning red; infrequent. Elevation ca. 30 m.

T.F. Daniel 6987
29 April-3 May 1995

CALIFORNIA ACADEMY OF SCIENCES
Plants of Belize

*Parmentiera aculeata* (Kunth) Seem.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Tree to 10 m; flowers and fruits borne on trunk; corolla green with maroon markings on lower lip; fruits green turning yellowish. Elevation ca. 30 m.

T.F. Daniel 6990
29 April-3 May 1995
Stemmadenia donnell-smithii  (Rose) Woodson

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.  
Lat. 17° 46’ N, Long. 88° 39’ W. Disturbed tropical perennial forest with *Orbignya cohune*.  
Tree to 8 m; calyx greenish cream; corolla yellow; locally frequent.  
Elevation ca. 30 m.

F. Daniel 6991  29 April-3 May 1995

Cupania belizensis  Standl.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.  
Lat. 17° 46’ N, Long. 88° 39’ W. Disturbed tropical perennial forest with *Orbignya cohune*.  
Tree to 8 m; fruits green; infrequent.  
Elevation ca. 30 m.

T.F. Daniel 6993  29 April-3 May 1995

Ficus radula  Willd.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.  
Lat. 17° 46’ N, Long. 88° 39’ W. Disturbed tropical perennial forest with *Orbignya cohune*.  
Tree to 6 m; fruits green.  
Elevation ca. 30 m.

T.F. Daniel 6995  29 April-3 May 1995
Protium copal (Schltdl. & Cham.) Engler

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Tree to 7 m; fruits green turning red; infrequent. Elevation ca. 30 m.

T.F. Daniel 6996 29 April-3 May 1995

Acacia gentlei Standl.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Tree to 7 m; corollas yellow-white; infrequent. Elevation ca. 30 m.

T.F. Daniel 6997 29 April-3 May 1995

Hamelia patens Jacq.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Shrub to 2 m; corolla red; infrequent. Elevation ca. 30 m.

T.F. Daniel 6998 29 April-3 May 1995

T.F. Daniel 6999 29 April-3 May 1995

Acacia cornigera (L.) Willd.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Tree to 3 m; fruits red; infrequent. Elevation ca. 30 m.

T.F. Daniel 7000 29 April-3 May 1995

T.F. Daniel 7001 29 April-3 May 1995
Swartzia cubensis (Britt. & Wils.) Standl.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Tree to 12 m; fruiting only; infrequent.
Elevation ca. 30 m.

T.F. Daniel 7002  29 April-3 May 1995

Piper auritum Kunth

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Aromatic shrub to tree to 2 m; locally frequent.
Elevation ca. 30 m.

T.F. Daniel 7003  29 April-3 May 1995

Cupania belizensis Standl.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Tree to 4.5 m; corollas cream-white; locally frequent.
Elevation ca. 30 m.

T.F. Daniel 7004  29 April-3 May 1995

T.F. Daniel 7005  29 April-3 May 1995

Struthanthus orbicularis (Kunth) Blume

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Vine like; flowers cream yellow; locally frequent in Ficus.
Elevation ca. 30 m.

T.F. Daniel 7006  29 April-3 May 1995

T.F. Daniel 7007  29 April-3 May 1995

Malmea depressa (Baill.) R.E. Fries

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Tree to 6 m; fruits green turning red.
Elevation ca. 30 m.
**Malmea depressa** (Bail.) R.E. Fries

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Tree to 6 m; fruits green turning red.
Elevation ca. 30 m.

F. Daniel 7007  
29 April-3 May 1995

**Manilkara zapota** (L.) van Royen

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Tree to 6 m; outer perianth green, inner white; infrequent.
Elevation ca. 30 m.

T.F. Daniel 7008  
29 April-3 May 1995

**Serjania goniocarpa** Radlk.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Vine; locally frequent in leguminous tree.
Elevation ca. 30 m.

F. Daniel 7009  
29 April-3 May 1995

**Sagittaria lancifolia** L.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Aquatic; corolla white; locally frequent.
Elevation ca. 30 m.

Daniel 7011  
29 April-3 May 1995

T.F. Daniel 7012  
29 April-3 May 1995
**Rhychospora (Dichromena) colorata** (L.) Pfeiffer

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbigynya cohune*.
Bracts green distally, white proximally; locally frequent at edge of lake.
Elevation ca. 30 m.

T.F. Daniel 7013 29 April-3 May 1995

---

**Bucida buceras** L.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbigynya cohune*.
Tree to 8 m; fruiting only; infrequent at edge of lake.
Elevation ca. 30 m.

T.F. Daniel 7014 29 April-3 May 1995

---

**Lechum pyramidatum** (Lam.) Urb.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbigynya cohune*.
Herb to 4 dm; corolla lavender; frequent.
Elevation ca. 30 m.

T.F. Daniel 7015 29 April-3 May 1995

---

**Capparis frondosa** Jacq.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbigynya cohune*.
Shrub to small tree to 2 m; fruits reddish; seeds with white arils; frequent.
Elevation ca. 30 m.

T.F. Daniel 7017 29 April-3 May 1995

---

**Tabernaemontana chrysocarpa** S.F. Blake

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbigynya cohune*.
Woody plant to 2 m; corollas yellow; infrequent.
Elevation ca. 30 m.

T.F. Daniel 7018 29 April-3 May 1995
Ficus radula  Willd.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Tree to 8 m; fruits green; infrequent.
Elevation ca. 30 m.

T.F. Daniel 7019  29 April-3 May 1995

Calyptrocheta chrysuria Swartz var. americana McVaugh

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Tree to 4 m; infrequent.
Elevation ca. 30 m.

T.F. Daniel 7020  29 April-3 May 1995

Cissampelos pareira L.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Vine; locally infrequent.
Elevation ca. 30 m.

T.F. Daniel 7021  29 April-3 May 1995

Bursera simaruba  (L.) Sarg.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Tree to 6 m; bark green and red, peeling; infrequent.
Elevation ca. 30 m.

T.F. Daniel 7022  29 April-3 May 1995

Moncus ferox  Bartlett

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Shrubbing palm to 5 m; leaves to 1.5 m long; stem 3 cm diameter near base, prickly.
Elevation ca. 30 m.

T.F. Daniel 7023  29 April-3 May 1995

T.F. Daniel 7024  29 April-3 May 1995
**Petracera volubilis** L.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Woody vine with reddish peeling bark; fruits green aged with maroon; seeds with red aril; frequent. Elevation ca. 30 m.

T.F. Daniel 7025 29 April-3 May 1995

**Pipera**

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Shrub to 1.5 m; frequent. Elevation ca. 30 m.

T.F. Daniel 7028 29 April-3 May 1995
**Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.**

1. *Dorstenia contrajerva* L.
   - Lat. 17° 46’ N, Long. 88° 39’ W. Disturbed tropical perennial forest with *Orbignya cohune*.
   - Tree to 8 m; fruits blue-black; infrequent.
   - Elevation ca. 30 m.

   T.F. Daniel 7031 29 April-3 May 1995

   - Lat. 17° 46’ N, Long. 88° 39’ W. Disturbed tropical perennial forest with *Orbignya cohune*.
   - Herb; corolla purple; locally frequent on High Temple.
   - Elevation ca. 30 m.

   T.F. Daniel 7034 29 April-3 May 1995

3. *Adisia olivaeformis* (Kunth) Radlk.
   - Tree to 5 m; fruiting only; infrequent.
   - Elevation ca. 30 m.

   T.F. Daniel 7035 29 April-3 May 1995

   T.F. Daniel 7036 29 April-3 May 1995
**Hscidia piscipula** (L.) Sarg.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Tree to 9 m; flowers light pink; infrequent.
Elevation ca. 30 m.

T.F. Daniel 7037 29 April-3 May 1995

**Mastichodendron foetidissimum** (Jacq.) H. J. Lam var. *gaumeri* (Pittier) L. Wms.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Tree to 15 m; buds only; infrequent.
Elevation ca. 30 m.

T.F. Daniel 7039 29 April-3 May 1995

**Curatula lucens** (Kunth) Engler

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Shrub to 1 m; pedicels and receptacles red; mericaps green turning black-purple; infrequent.
Elevation ca. 30 m.

T.F. Daniel 7041 29 April-3 May 1995

**Dicliptera sexangularis** (L.) Juss.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Perennial herb to 8 dm; fruiting only; scarce.
Elevation ca. 30 m.

T.F. Daniel 7040 29 April-3 May 1995

**Curatula lucens** (Kunth) Engler

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Shrub to 1 m; corolla white; scarce.
Elevation ca. 30 m.

T.F. Daniel 7042 29 April-3 May 1995
**Miconia laevigata** (L.) D. Don
Det: F. Almeda, 1995

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Shrub to 2 m; fruits turning blue-black; infrequent.
Elevation ca. 30 m.

---

**Syngonium podophyllum** Schott

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Climbing vine with white sap; frequent.
Elevation ca. 30 m.

---

**Guazuma ulmifolia** Lam.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Tree to 7.5 m; corolla greenish yellow; locally frequent.
Elevation ca. 30 m.

---

**Calathea olivaeformis** (Kunth) Radlk.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Tree to 6 m; bark smooth; corolla cream; locally frequent.
Elevation ca. 30 m.

---

**Anthurium crassinervium** (Jacq.) Schott

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Growing on rocks; leaves to 1.2 m long; inflorescence to 1 m long; spathe purplish; infrequent.
Elevation ca. 30 m.
**Cupania belizensis** Standl.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.  
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.  
Tree to 5 m; fruiting only; frequent.  
Elevation ca. 30 m.

T.F. Daniel 7049  
29 April-3 May 1995

**Psidium guajava** L.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.  
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.  
Tree to 6 m; bark smooth; corolla white; infrequent.  
Elevation ca. 30 m.

T.F. Daniel 7050  
29 April-3 May 1995

**Inona reticulata** L.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon near Indian Church.  
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.  
Tree to 5 m; fruits brownish; infrequent.  
Elevation ca. 30 m.

T.F. Daniel 7051  
29 April-3 May 1995

**Anchocarpus guatemalensis** Benth.

Orange Walk: Vicinity of Lamanai Outpost Lodge on W shore of New River Lagoon, near Indian Church.  
Lat. 17° 46' N, Long. 88° 39' W. Grounds, forests, milpas S of lodge.  
Tree to 8 m; fruiting only.  
Elevation ca. 30 m.

Daniel 7053  
4 May 1995

**Vitex guameri** Greenm.

Orange Walk: Vicinity of Lamanai Outpost Lodge on W shore of New River Lagoon, near Indian Church.  
Lat. 17° 46' N, Long. 88° 39' W. Grounds, forests, and milpas S of lodge.  
Tree to 10 m; corollas purple.  
Elevation ca. 30 m.

T.F. Daniel 7054  
4 May 1995
Trichilia hirta L.

Orange Walk: Vicinity of Lamanai Outpost Lodge on W shore of New River Lagoon, near Indian Church. Lat. 17° 46' N, Long. 88° 39' W. Grounds, forests, and milpas S of lodge.
Tree to 10 m; fruits dull red.
Elevation ca. 30 m.

T.F. Daniel 7055
4 May 1995

Crataeva tapia L.

Orange Walk: Vicinity of Lamanai Outpost Lodge on W shore of New River Lagoon, near Indian Church. Lat. 17° 46' N, Long. 88° 39' W. Grounds, forests, and milpas S of lodge.
Tree to 6 m; petals green-yellow.
Elevation ca. 30 m.

T.F. Daniel 7056
4 May 1995

Sapindus hirtus L.

Orange Walk: Vicinity of Lamanai Outpost Lodge on W shore of New River Lagoon, near Indian Church. Lat. 17° 46' N, Long. 88° 39' W. Grounds, forests, and milpas S of lodge.
Tree to 8 m; fruits blue-black.
Elevation ca. 30 m.

T.F. Daniel 7057
4 May 1995

Mastichodendron foetidissimum (Jacq.) H. J. Lam var. gaumeri (Pittier) L. Wms.

Orange Walk: Vicinity of Lamanai Outpost Lodge on W shore of New River Lagoon, near Indian Church. Lat. 17° 46' N, Long. 88° 39' W. Grounds, forests, and milpas S of lodge.
Tree to 12 m; flowers cream.
Elevation ca. 30 m.

T.F. Daniel 7058
4 May 1995

Erythrina belizensis Standl.

Orange Walk: Vicinity of Lamanai Outpost Lodge on W shore of New River Lagoon, near Indian Church. Lat. 17° 46' N, Long. 88° 39' W. Grounds, forests, and milpas S of lodge.
Tree to 8 m; fruits green.
Elevation ca. 30 m.

T.F. Daniel 7059
4 May 1995

Orange Walk: Vicinity of Lamanai Outpost Lodge on W shore of New River Lagoon, near Indian Church. Lat. 17° 46' N, Long. 88° 39' W. Grounds, forests, and milpas S of lodge.
Tree to 12 m; flowers cream.
Elevation ca. 30 m.

T.F. Daniel 7060
4 May 1995
Petrea volubilis L.

Orange Walk: Vicinity of Lamanai Outpost Lodge on W shore of New River Lagoon, near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Grounds, forests, and milpas S of lodge.
Vine; corolla lemon yellow; frequent. Elevation ca. 30 m.

T.F. Daniel 7061 4 May 1995

Thevetia ahouai (L.) A.DC.

Orange Walk: Vicinity of Lamanai Outpost Lodge on W shore of New River Lagoon, near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Grounds, forests, and milpas S of lodge.
Shrub; corolla yellow. Elevation ca. 30 m.

T.F. Daniel 7064 4 May 1995

Spondias purpurea L.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon, near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with Orbignya cohune.
Tree to 8 m; fruits green. Elevation ca. 30 m.

T.F. Daniel 7066 5 May 1995
**Combretum fruticosum** (Loefl.) Stuntz

Orange Walk: Lamanai Reserve on W shore of New River Lagoon, near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Woody vine; fruits greenish yellow.
Elevation ca. 30 m.

T.F. Daniel 7067
5 May 1995

**Cupania belizensis** Standl.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon, near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Vinelike tree to 4 m; fruits yellowish; seeds black.
Elevation ca. 30 m.

T.F. Daniel 7068
5 May 1995

**Caryocar brasiliense** Mart. ex Willd.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon, near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Tree to 13 m; fruits green.
Elevation ca. 30 m.

T.F. Daniel 7070
5 May 1995

**Caryocar lucidum** (Mart. ex Willd.) Burret

Orange Walk: Lamanai Reserve on W shore of New River Lagoon, near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Tree to 13 m; fruits green.
Elevation ca. 30 m.

T.F. Daniel 7072
5 May 1995

**Caryocar microphyllum** (Jacq.) Fosb. & S. Br. & N. Br.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon, near Indian Church.
Lat. 17° 46' N, Long. 88° 39' W. Disturbed tropical perennial forest with *Orbignya cohune*.
Tree to 13 m; fruits green.
Elevation ca. 30 m.

T.F. Daniel 7074
5 May 1995

**Caryocar orbignyanum** (Jacq.) Fosb. & S. Br. & N. Br.

Orange Walk: Lamanai Reserve on W shore of New River Lagoon, near Indian Church.
